# *Interdimensional Travel*

## *Embodying the Higher Frequencies of the Soul!*

*Jhadten has found in his own personal development, that inter-dimensional travel is one of the most powerful, transformational and uplifting tools of healing and soul embodiment. It is important to understand this tool and how to use it properly. Higher vibrations of the soul can only be embodied when the soul works through the Earth realms and the body: in this way, the higher energies are grounded, earthed and embodied so that they can transform the mind/body complex completely. The energies of the City of Light Texel will assist us in connecting deeply to this receptacle for the higher vibrations of the soul.*

***So in this workshop you will learn:***

***1. How to connect to the Divine Feminine through the Earth planes in order to create a place within to embody the higher frequencies of your soul. This is where the energies of Texel will be doing powerful work with us.***

***2. How to travel inter-dimensionally to connect with various higher frequencies of your soul and embody them.***

***3. How to connect with the angelic aspect of your soul and embody it.***

***4. How to connect with the new Christed Level of Unity Consciousness and embody it.***

***5. How to sound these energies and implement them in your daily life.***

*As consciousness travels into higher and other dimensions, the experiences are felt and affect the person present in their bodies, connected to the earthly receptacles, that the soul has created within. It is a balance of Divine Male and Divine Female Energies in a very complex and unique way. Our souls are composed of vibrations that in the end are connected and one with the Creator/Creatrix. Our souls have parallel incarnations and incarnations in other dimensions simultaneously - such is the power and unimaginable abilities of the soul.*

*In travelling in our consciousness to those other parallel-universe Selves and inter-dimensional Selves, we meet and connect with, experience and feel the power, the gifts and the talents of our souls. Inter-dimensionally we connect with higher forms of compassion, love, joy, enthusiasm and wisdom, that can assist us here in this incarnation. So much of the trauma,*

*wounds, imbalances and limitations that we have experienced in this lifetime and others can be healed through these higher connections.*

***So much of the higher vibrations of the soul that we need to embody at this time can be accessed, experienced and embodied through this tool. Come and experience this powerful tool and embark on a wondrous journey of amazing experiences and greater empowerment. We look forward to seeing you there. Namaste!***
